Subject: Termination of Password Protected Online Community

Dear President:

Harris Connect is currently hosting and administering a Password-Protected Online Community for the alumni of Central High School at no charge to your organization under the Agreement referenced above.

Harris Connect is winding down its Password-Protected Online Communities due to an overall drop in usage, and we are providing you with written notice that we regretfully must cease offering this service to you. Per the termination provisions of the Agreement, please allow this letter to serve as notice that the Online Community will be taken offline approximately ninety (90) days from the date of this letter. After the Online Community has been taken offline, neither party retains any outstanding obligations, financial or otherwise, pursuant to the cessation of the Online Community.

If you have any questions or concerns regarding the community, please contact Beth Dembitz at (757) 965-8140 or bdembitz@harrisconnect.com.

We look forward to continuing to serve you with our valuable directory programs at no cost to your school. These programs help all our clients successfully obtain valuable data and contact information from their alumni to feed their communication and foundation initiatives. We look forward to our next engagement with you and thank you for your valued relationship with Harris Connect.

Sincerely,

A handwritten signature in black ink that reads "Nancy Liguori".
