

CLASS REPRESENTATIVES

The AACHS Class Representatives Committee strives to provide guidance and outreach resources with every class through its designated representative. Through the **Class Rep Chair, Rudy Cvetkovic (239)** our database remains as up-to-date as possible, but the work required to do is a team effort.

Many class reps have held this position since they graduated, others have taken on the role after a reunion or for other various reasons.

Nevertheless, the designated individual **serves as the official liaison between the class and the Association** to ensure that their class remains actively engaged and involved with Central High School and the AACHS.

If you have any questions or concerns regarding your class rep, would like to fill a vacant rep position, or would like to contact your class rep, please email **Alumni Relations Coordinator, Jazzmyn Mills, 273**. Thank you!
