## Gift-in-Kind Acceptance Form

---

The Associated Alumni of the Central High School (AACHS) welcomes gifts-in-kind, defined as a voluntary non-cash donation of materials, goods or long-lived assets that are directly related to the mission of the AACHS as it relates to the Central High School. Generally, the AACHS accepts gifts that have a related use, directly supports students, faculty, or staff of Central High School, or can easily be sold to provide revenue for the AACHS.

Examples include, but are not limited to, items such as lab equipment, computer hardware and software, printed materials, and artwork. So long as the items donated are relevant to the AACHS mission, gift credit will be provided to the donor for their fair market value. Total non-cash contributions valued at more than \$5,000 require the donor to file IRS Form 8283 and obtain a qualified written appraisal. [current version of the IRS 8283 form](#).

To meet the AACHS reporting requirements, this form must be completed by an AACHS representative (and donor or by a representative on behalf of the donor), and submitted to the AACHS. The value of gifts-in-kind must be reported at its fair market value on the date of the contribution. As per IRS regulations, the AACHS will provide an acknowledgment for non-cash gifts that may include the date and description of the gift, but not the value.
